

Recreational Vehicle Park For reservations call the Texas Parks and Wildlife Department at (512) 389-8900. Call (979) 863-7120 for general information. Located along the river channel, this new RV park has 70 sites with full hookups. Guests are within walking distance of the river, the beach, the natural science center, the group pavilion, picnic facilities, trails and fishing piers.

Natural Science Center

Natural Science Center Call 1-800-776-5272, Ext. 4740, for more information. The center's focus will be on natural science education. The center's classrooms will host educational programs for visiting classes at all grade levels, youth groups and adults. The center's exhibits on estuaries, coastal wetlands and native wildlife will be open to the public.

Fishing Piers Three piers extend over the lower Colorado River channel for fishing and wildlife observation. A fourth pier owned and maintained by the U.S. Army Corps of Engineers extends over the Gulf of Mexico for saltwater fishing and panoramic views.

Fishing Pier
